Work experience

Apple • Human Interface Designer (Contract)

Jul 2026 — Present

- Building developer tooling on Apple Store Connect.

Meta • Senior Product Designer

May 2021 — July 2026

VR System & Utility Apps

- Led AI-native design for Meta XR system apps across Quest headsets and next-gen XR wearables, defining gaze and eye tracking interaction patterns.

VR Developer Tooling

- Designed AI-native World Desktop Editor onboarding, driving 92% activation and 1,200+ beta applicants; launched next-gen editor featured in Meta CTO's Connect 2025 keynote
- Redesigned Meta Horizon Developer Center; built Feedback Hub zero-to-one, adopted across all Meta apps.

Quest for Business (Horizon Managed Services)

- Spearheaded VR and web experience for Quest Device Manager, delivering the Open Beta to 100% of customers with strong engagement.

Portal for Enterprise

- Pioneered design as the first designer hired for enterprise Portal
- Led the hardware out-of-box experience (OOBE) for new and returning customers, ensuring intuitive onboarding.

Alaska Airlines • Product Designer II

Jan 2021 — May 2021

- Redesigned the AlaskaAir.com booking experience web and mobile, specializing in accessibility.
- Designed 16 UI assets to Alaska's Auro Design System, now deployed across airports and planes nationwide.

Keurig Dr Pepper • Hardware UX Designer II

Feb 2020 — Dec 2020

- Designed digital and physical interaction systems (touch, hover, voice, lights) across 6 appliances.
- Led data visualization for brewer usage analytics; collaborated across product and mech eng on complex hardware systems.

BlueSnap • Lead UX Designer

Jun 2018 — Jan 2020

- Sole designer owning all design across responsive web, social media, marketing, and conference booths.
- Redesigned 16 responsive product pages, driving a 35% increase in web traffic and 24% increase in conversion.

Lightology • Production Designer

Jun 2016 — Dec 2017

- Owned end-to-end (design, content, development, A/B testing) email marketing program (250k+ recipients).
- Designed digital and print marketing assets for all campaigns.
